Saskatoon's Airport joins in on the celebration of The University of Saskatchewan's Centennial Anniversary

The Saskatoon Airport Authority is committed to making the Saskatoon Airport a venue that showcases our community, celebrating our strengths and successes (industry, education, and innovation), historical background and people of Saskatoon and Saskatchewan.

We are delighted with our newest addition - a mural in celebration of the University of Saskatchewan's Centenary Anniversary.

Bill Restall, Saskatoon Airport Authority's President & CEO says, "The Saskatoon Airport Authority welcomes the new addition and we fully support the University's vision, as stated in the University of Saskatchewan President MacKinnon's Message, "Celebrate our successes with pride and anticipate the future with excitement, to *engage* fully in all we do, to *enlighten* all we serve, and to *explore* all aspects of our world."

"We're very proud to partner with the Saskatoon Airport Authority in showcasing the tremendous accomplishments of the University of Saskatchewan, in the form of a beautiful and grand wall mural," said Peter MacKinnon, President of the University of Saskatchewan. "We hope those who see the mural will join with us in reflecting upon our origins, our current circumstances, our dreams and ambitions, and this University's ties to the community."

The Saskatoon Airport Authority is proud to work with our community and business partners, ensuring the Saskatoon John G. Diefenbaker International Airport is a destination that reflects the dynamic and growing city where we live.
